

TUTORIAL

CORPORATE TAX FILING

All Members:

The following links offer process tutorials for the required tax filing for all WOW members who have a new company formed last year (2022). These provide a walk-thru of each step required to complete and finalize the IRS Federal Tax forms and the State of California tax forms. *Please note:* We will be organizing other state forms as needed to assist.

These tax forms are all Zero income Zero activity forms to merely meet the requirement by the IRS, but it is critical you print and mail (depositing at a post office) on or before March 10, 2023.

The first link is a process walk-thru for any Member who does not have complete registration so we can obtain a WOW ID and/or complete the company registration information. We have even outlined the process to start from scratch to obtain full registration, which requires a Team Leader assistance.

The second link is a process walk-thru for any Member who has full registration and a WOW ID to access the back-office, whereby you will be able to download completed tax forms to meet the filing requirement.
